

MEDICARE

Dear Medicare Recipient,

NOTICE

\$1840.00 Therapy CAP/LIMIT

For services January 1, 2009 to December 31, 2009

Medicare has reinstated their annual therapy cap. Medicare now allows \$1840.00 per year of their allowed fee schedule; this will include the 20% that is secondary or patient responsibility.

This CAP/LIMIT is for Speech and Physical Therapy combined.

Occupational Therapy also has a CAP/LIMIT of \$1840.00.

When this cap is met, and therapy is still deemed necessary, you will have the option to pay out-of-pocket for your services or transfer and receive therapy services in an outpatient HOSPITAL setting.

We value your patronage to our family of services and will work with you to see that you receive the therapy you need. We want to see you get the maximum therapy necessary for your healing and recovery.

I have been informed of this year's Medicare CAP.
